**Arts and Tricks! First in a series!**

Come one and all - including your dog! I'm mixing up art and training! No longer will you have to leave your dog at home while you learn some new crafts! Bring pup along and they'll learn some new tricks too!

**October 19, 10 am to 1 pm**

**Mosaics and tricks.**

This is how it will work. You'll bring your dog, a crate (MUST), water and bowl, plus a few bags of tiny treats. I'll start you off with picking glass and a pattern and once you glue the glass to the template, we'll let it dry and while it's drying, I'll teach you to teach your dog a new trick. Once the glue is dry, you'll add the cement to your mosaic, and as that's drying, I'll teach you another trick!

So, you'll walk away with a beautiful mosaic to decorate your yard or house, PLUS 2 new tricks to show off with!
