## Other things you'll need to know:

### Refund Policy

**DISCLAIMER AND INDEMNIFICATION:** Dogs that are trained to become Service Dogs should never replace any medical device or equipment prescribed by a doctor. When teaching medical alert skills, we cannot guarantee that a dog will learn to “pre-alert” you before your symptoms intensify. Although Service Dogs can be very well trained to perform the tasks needed for your case, we do not guarantee that the dog will respond properly in every situation. I understand that a Service Dog is still just a dog and Positive Dogs, LLC, Pamela Dennison cannot guarantee that my dog will always perfectly perform their tasks and I will not hold liable Positive Motivation Dog Training, LLC or Pamela Dennison if my dog doesn't execute any given task. This provision applies whether the claims are made by you, members of your family or third parties. **Initials\_\_\_\_\_**

### Weather

If the weather is bad and we have to cancel the in person lesson, we WILL be doing Zoom for that day (unless we lose power of course!)

## COVID Re-Opening RULES

Positive Dogs will be continually sanitizing before, during and after each class **if we get another surge.**

These are for **YOUR** safety and the safety of **OTHERS**. Please read the following and initial where indicated that you have read and understand and will abide by these new rules.

- If you're sick in any way or if you've been sick in the past 14 days, do **NOT** enter \_\_\_initial
- If someone in your home is sick in any way or if they've been sick in the past 14 days, do **NOT** enter \_\_\_initial
- You **MUST** wear a mask when indoors \_\_\_initial
- **You MUST bring your own mask - one will NOT be provided for you** \_\_\_initial
- **You MUST bring your own water and bowl for your dog** \_\_\_initial

Please be aware that although we are all hopeful that the worst of Covid is now behind us, making it possible to resume all in-person classes, there is always the threat of another viral surge. If this happens, my primary concern is for the overall health and well-being of everyone. Consequently, I **WILL HOLD THE REMAINDER OF YOUR PRIVATE SESSIONS ONLINE RATHER THAN PUTTING THEM ON-HOLD AND WAITING TO RESUME IN-PERSON SESSIONS**. Training and behavioral momentum are critical for continued progress with your dog(s), so waiting to resume in-person session can result in less than desired results. I regret that I *\*cannot\** offer refunds, including partial refunds for any reason whatsoever. Thank you for trusting me with your training and behavioral goals! I've had great experiences using zoom and I wouldn't offer it if it didn't work well \_\_\_initial

If we all follow these instructions, we should be just fine. Yes, it's inconvenient - for all of us, but I'd rather have to go through a few more steps to stay safe and healthy, wouldn't you? Breathe! it won't be forever <g>
